Section 3506(c)(2)(A) of title 44 requires federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the

Title: General Reporting and Recordkeeping Requirements by Savings Associations.

OMB Control No.: 1557-0266.

Type of Review: Regular review.

Description: This information collection relates to reports and records required by the following regulations:

- 12 CFR 144.8 (communications between members of a federal mutual savings association);
- 12 CFR 163.47(e) (pension plan records); and
- 12 CFR 163.76(c) (offers and sales of securities of a federal savings association or its affiliates in any office of the savings association – form of certification).

Federal savings associations use the reports and records that the regulations require for internal management control purposes, and examiners use them to determine whether savings associations are being operated safely, soundly, and in compliance with regulations. An absence of the reporting and recordkeeping requirements would make it difficult for institutions to establish prudent internal controls and would limit the ability of examiners to determine the accurate performance and condition of federal savings associations.
